

English Pronunciation Classes

The Latin American Association offers English Pronunciation Classes at the Atlanta Outreach Center. Students of a second language frequently encounter problems with pronunciation, rhythm, stress and intonation. In this class students will learn how to pronounce problematic sounds, identify problems that inhibit communication and develop their ability to speak fluently and be understood. Exercises used in this course will include: listening and singing along to songs, group readings of poetry and much more.

Weekday classes

(5 weeks, twice a week)

Mon & Wed

6:30pm – 8:45pm

Tues & Thurs
