

The ongoing COVID-19 pandemic has affected Latino families in ways we couldn't have imagined. After conducting a community needs assessment, we reevaluated our services to better serve the needs of our clients.

The mission of the Latin American Association (LAA) is to empower Latinos to adapt, integrate and thrive. Our vision is 'Opportunity for All.'

Founded in 1972, the LAA has grown over the past five decades to become the region's leading agency representing Georgia's Latino issues. The LAA offers a targeted menu of direct services that helps Latino individuals assimilate and become contributing members of Georgia's community.

The LAA achieves its mission through five (5) focus areas: Civic Engagement & Advocacy, Economic Empowerment, Youth Services, Family Stabilization & Well-Being, and Immigration Services. Each focus area includes a targeted menu of direct services, large-scale events and advocacy to realize significant community impact and affect systems level change.
